Councillor Neil Clarke
Rushcliffe Borough Council
Civic Centre

11th December 2012

Dear Neil,

I enclose a copy of an email I have received from Councillor David Watts and would very much welcome any comments you are able to give.

I also enclose a copy of a letter to Eric Pickles which I trust is self explanatory.

I should add that I have read the article in yesterday's Nottingham Post and wish you all success in your determination to represent and work with the people of Rushcliffe, determine your own housing need and defend your Green Belt.

as ever
