

## NET Phase Two Clifton and Chilwell routes

335

### **NET works update - temporary closure of Chilwell Road, from 20<sup>th</sup> January**

As you may be aware, works have been taking place on Chilwell Road as part of the expansion of Nottingham's tram service to Beeston and Chilwell.

From Monday 20<sup>th</sup> January for approximately three months Chilwell Road will be closed to through-traffic between its junctions with Foster Avenue and Devonshire Avenue so that further works to install tram tracks can take place.

Access to Devonshire Avenue will be maintained at all times. Access to Foster Avenue, Beeston Library and Broxtowe Borough Council offices will be available via Wollaton Road, through Foster Avenue car park. Access to the car park will also be maintained.

Vehicle access to the shops, Post Office and St. John the Baptist's Church will be maintained through the works site. Pedestrian access along this section of Chilwell Road will also be maintained at all times.

These works will take place between 8am and 6pm Monday – Saturday and will be carried out in accordance with the project's Code of Construction Practice (CoCP).

We apologise in advance for any inconvenience these works may cause you, and would like to assure you we will do all that we can to keep disruption to a minimum.

For more information about these works, the CoCP, or the project in general, please contact us on: (0115) 924 24 54 or visit
