

## NET Phase Two Beeston and Chilwell route

249

### **NET works update – Wollaton Road/Commercial Avenue, Beeston**

As you may be aware, works have been taking place in Beeston as part of the expansion of Nottingham's tram service to Chilwell.

Works to demolish the former Hunts for a Bargain shop on the corner of Wollaton Road / Commercial Avenue are now due to begin on Monday 11<sup>th</sup> March, for approximately three weeks.

These works may be noisy, but should not have any impact on road traffic. For safety reasons the demolition site will be fenced off while the works are taking place.

These works will be carried out between 8am – 6pm, Monday – Friday and 8am - 1pm on Saturday.

Major tram construction works are also due to begin on Chilwell Road / High Road and on Middle Street in late March. We will contact you shortly with more details about this.

These works will be carried out in accordance with the Code of Construction Practice (CoCP), which was agreed at the NET Phase Two public inquiry held in 2007.

The CoCP regulates the way that works for NET Phase Two can be undertaken, and sets out standards for our contractor on issues such as controlling noise, vibration and dust. This will ensure that works are undertaken in a responsible and sympathetic manner.

We apologise in advance for any inconvenience that these works may cause you, and would like to assure you that we will do all that we can to keep disruption to a minimum.

We will be having two drop-in information sessions where you can find out more information about upcoming tram works in Beeston.

The two information sessions will take place at the Pearson Centre, 2 Nuart Road (off Station Road), Beeston, NG9 2NH on Wednesday 13th March between 4pm and 6pm, and at Latinos Restaurant (function room), 25/27 Chilwell Road, Beeston, NG9 1EH on Tuesday 19th March between 5pm and 7pm.

For more information about the project or the works in Beeston, please contact us on: 0115 924 24 54 or visit: [www.thetram.net/phasetwo](http://www.thetram.net/phasetwo)
