Replacement car park – Chilwell Road Methodist Church

As you may be aware, various works have been taking place in your area as part of the expansion of Nottingham's tram network to Beeston and Chilwell.

As part of these works, construction of a new car park, to provide an alternative parking area for Chilwell Road and High Road is due to begin on Monday 11th February, for four weeks, at the back of Chilwell Road Methodist Church. The car park will be built in land to the rear of numbers 21 to 25 Chilwell Road and is due to open in March.

Construction of the car park should not have any impact on traffic. Access to Chilwell Road Methodist Church may be affected when works take place at the church's access road / Chilwell Road junction, however this will only be for short periods.

These works will be carried out between 8am – 6pm, Monday – Friday and 8am - 1pm on Saturday and will be in accordance with the Code of Construction Practice (CoCP), which was agreed at the NET Phase Two public inquiry held in 2007.

The CoCP regulates the way that works for NET Phase Two can be undertaken, and sets out standards for our contractor on issues such as controlling noise, vibration and dust. This will ensure that works are undertaken in a responsible and sympathetic manner.

We apologise in advance for any inconvenience that these works may cause you, and would like to assure you that we will do all that we can to keep disruption to a minimum.

For more information about these works, the CoCP, or the project in general, please contact us on: (0115) 924 24 54 or visit www.thetram.net/phasetwo.
